EDUCATION

Emory University

MS in Economics (4+1 Program)

BA in Economics and Computer Science, Minor in Business

Atlanta, GA

May 2028

May 2027

- **Cumulative GPA:** 3.99 / 4.00
- **Honors:** Dean's List (3x)
- **SAT Score:** 1570

PROFESSIONAL EXPERIENCE

RBmedia

Marketing Intern

Landover, MD

June 2025 – Aug 2025

- Compiled monthly and quarterly reports on Audible and Spotify audiobook sales for 2,500+ titles; visualized data using tables and graphs which highlighted key trends and considered different perspectives to help guide future executive decision-making
- Assisted in rollout of an automated workflow for posting audiobook sneak-peeks across 12 social media accounts; supervised the first ~1,800 uploads, diagnosing and resolving technical issues in real time to improve scalability and reliability over time

Life Time Fitness

Lifeguard

Gainesville, VA

May 2024 – Aug 2025

- Supervised aquatics patrons by monitoring pool activities and proactively enforcing guidelines to prevent accidents; delivered prompt emergency response and administered first aid on 4 separate occasions, communicating directly with police and EMS
- Collaborated with management and other departments on events involving aquatics programs; provided exceptional customer service to 300+ members daily, promptly resolving issues and concerns to maintain consistently positive facility experiences

Mathnasium

Math Instructor

Haymarket, VA

June 2022 – Mar 2023

- Taught mathematics to 30+ K-12 students, assisting them through structured learning activities and providing homework help; introduced effective study techniques and problem-solving strategies to improve students' retention and academic confidence
- Communicated regularly with parents, providing feedback on student progress and setbacks; developed personalized learning plans, resulting in approximately 90% of students reporting higher grades and demonstrating improved critical-thinking skills

LEADERSHIP EXPERIENCE

Emory Economics Department

Student Tutor

Atlanta, GA

Sept 2025 – Present

- Selected as 1 of 60 from ~800 students to offer one-on-one instruction in micro/macroeconomics, data science, and computer science; develop comprehensive review guides and utilize syllabi to create exam-based timelines with regular progress checks
- Conduct 3-5 sessions per week focused on content mastery, correcting mistakes and misconceptions, problem set completion, and test strategy and preparation; correspond with professors and teaching assistants when needed to clarify solution methods

Emory Club Swimming

Head Captain

Atlanta, GA

Jan 2024 – Present

- Design and lead practices with 10-20 swimmers 4 times per week; utilize a combination of technique work for new swimmers and endurance training for more experienced swimmers, ensuring that sessions are balanced to accommodate every skill level
- Collaborate with other board members and club sports directors to coordinate logistics for team travel, including 6 out-of-state meets requiring detailed planning, budgeting, and communication; manage itineraries, preparation, lodging, and transportation
